Subject: Cultural Resources Concurrence Request, Ash Grove Cement, Leamington Quarry,
M/023/0004, Juab County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Ash Grove Cement to expand their mine into a previously undisturbed area. Attached is a cultural resources survey of the proposed expansion area. No new or previously identified features or sites of cultural significance were identified within or in close proximity to the project area. Accordingly, the Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
